The Kid's Table

Verse 1:

Em - Am - Em - Am - G - B7

School's out for the holiday
Car is packed and we're on the way
To my cousin's house again

Em - Am - Em - Am - G - B7

Crazy food everywhere
Aunt Ree-Ree's famous pickled pears
Sitting on mismatched broken folding chairs

C - G/B - Am - C - G - D7

I guess we've got to go
But one thing I must know is

G - D7...

Chorus:

Why'm I sitting at the kid's table
The kid's table, the kid's table
Why'm I sitting at the kid's table
I wonder why oh why

Why'm I sitting at the kid's table
The kid's table, the kid's table
Why'm I sitting at the kid's table
When can we have some pie?

Verse 2:

Ring ring the doorbell the family's coming through
Aunts, Uncles, Grandparents and our cousins too
I see the tables, just one is looking fine

Can I fit? Is this the year? Please tell me which is mine

Chorus:

Guess I'm sitting at the kid's table
The kid's table, the kid's table
Guess I'm sitting at the kid's table
I wonder why oh why

Guess I'm sitting at the kid's table
The kid's table, the kid's table
Guess I'm sitting at the kid's table
When can we have some pie?

Verse 3:

Greenbean casserole and mincemeat will appear
These are the foods we eat on this day every year
For 45 minutes you've been chewing the same old piece of pork
Granny overcooked it, hard as a rock, I wouldn't touch that with your fork

Chorus:

We're all sitting at the kid's table
The kid's table, the kid's table
We're all sitting at the kid's table
I wonder why oh why

We're all sitting at the kid's table
The kid's table, the kid's table
We're all sitting at the kid's table
When can we have some pie?

BRIDGE

Chorus:

Let's go back to the kid's table
The kid's table, the kid's table
Let's go back to the kid's table
No more wondering why

It's way more fun at the kid's table
The kid's table, the kid's table
It's way more fun at the kid's table
When can we have some pie?
